*7<sup>th</sup> March 2022,*

*Dear Professor Frederick Boop,*

*cc: Prof. Shiomi Constantini, Prof. Anthony Figaji, Prof. Llewellyn Padayachy, Prof. Ramiro del Rio and Ms. Linda Bosschers.*

*We hope everything is well with the core members of ISPN.*

*After this implausible situation, we noticed that many societies had posted their statement against the military action of Russia. Prof. Morota had contacted Prof. Constantini and found that ISPN will post a statement.*

*To show strong international unity of the societies dedicated to children, we would like to follow and support the statement of ISPN.*

*We will send this statement on behalf of Professor Isao Date, the president of Japan Society for Pediatric Neurosurgery.*

*We, the Japanese Society for Pediatric Neurosurgery, will totally support and follow the statement of ISPN from the far-east to show the strong will of international solidarity.*

*As posted in the statement in ISPN, we hope we can show the solidarity of our interconnected community across the world and hope that we can see a diplomatic solution as soon as possible.*

*Isao Date President JSPN*

*Members of JSPN Executive Board*

*Members of JSPN International subcommittee*
